CURRICULUM VITAE

Experience Summary:

- Have 4+ years of experience in building, designing and development of web based applications using Java and J2EE Frame works, tools and has good programming experience with **Java/J2EE,Junit,EJB,JPA,JSF(Primefaces,Icefaces),HTML,AnglularJS,JS Linux,CSS,DB2,Oracle.**

- Have good exposure on working in developing, maintenance and migrating projects.

- Have Good knowledge and experience on working in different phases of migrating a project to new technology.

- Have good understanding of OO concepts, JAVA and web Applications development.

- Good leadership quality and dedicated, self-motivated developer.

- Having Good logical and reasoning ability.

- Had onsite visit for requirement gathering and current release demo for clients.

- Good Hands on experience on Linux and windows platform with good DB knowledge.

- Have good interpersonal ,communication and interviewing skills as well, a proven quick learner having worked on several new technologies and eager to work on new technologies.

Professional Experience:

- Working as Consultant at **Emirates NBD . (From 30th Feb 2016 to Till date)**
  Parent organization **: ValueLabs Solutions**
- Analyst at **British Telecom (BT Eserve). (From Nov 25th 2015 to 29th Feb 2016)**
- Software Engineer at **Mercedes Benz Research and Development India** Pvt Ltd- Bangalore. (**From July 9th 2012 to Nov 24th 2015)**

Awards :

- *Recognized for excellent contribution towards project success*

Technical Skills:

Technologies	EJB3.0,JPA ,Junit, JSF(Primefaces, icefaces),AngularsJS,CSS
Languages	Java, HTML, JS
Databases	MySQL,DB2,Oracle
Web/App Server	JBoss4.0.5GA , Apache Tomcat, Websphere Application server(WAS 6.1,WAS 8.0),Glassfish payara,weblogic
IDEs	Eclipse,RAD
Operating Systems	Windows,Linux

Project Profile:
Summary:

	Project Name	Client
1	**Vendor Management**	Internal
2	**Ferret**	German partner
3	**Orchid**	BT
4	**Online Banking Portal**	Emirates NBD

Description:

1. **FERRET:** **(Fast Environment for Research ,Review and Exploration of Test data)**

   This is a data mining and analysing tool used by design Engineers for data analysis of test data, also used by research Engineers to research on gathered data.

   - **Role:** Software Developer,
   - **Technologies:** Java/J2EE, EJB, JPA ,Junit, JSF(Icefaces),jfreechart,C++
   - **Tools :** RAD, Websphere application server 6.1,DB2.
   - **Operating System:** Windows 07,Linux
   - **Client:** German Partner**.**

      1.1 FERRET_MIGRATION

      The next generation of ferret realisation using advanced technologies and advanced platform

      - **Role:** Software Developer,
      - **Technologies:** Java/J2EE, EJB, JPA ,Junit, JSF(primefaces), jfreechart ,C++
      - **Tools :** Eclipse, Websphere application server 8.0,DB2.
      - **Operating System:** Windows 07,Linux,
      - **Client:** German Partner**.**

2. **Vendor Management:**

   This is a Portal which is built to maintain vendors who provide resources (External resources). This also helps externals to raise their invoices and maintain their time sheets. Internal Managers use this to search specific resource ,place an order and to generate reports.

   - **Role:** Software Developer,
   - **Technologies:** Java/J2EE, EJB3.0,JPA,Junit,JSF(Primefaces).
   - **Tools :** Eclipse, Websphere application server 6.1,DB2.
   - **Operating System:** Windows XP,
   - **Client:** Internal**.**

3. **Orchid:**

   This is a rule prioritization engine which can update the task priority based on a rule . which gives a gantt chart to the mangers and plan the tasks effectively.

   - **Role:** Software Developer,
   - **Technologies:** Java/J2EE, spring, hibernate, grails, groovy,HTML5,JS.
   - **Tools :** Intellij
   - **Operating System:** Windows 08,
   - **Client:** BT.

4. Online Banking:

This is a online portal for banking with ENBD bank.It was technical upgradation with a revamp of the site.

- **Role:** Software Developer,
- **Technologies:** Java/J2EE,JSF, CDI, HTML5,angularJS,CSS.
- **Tools :** Eclipse
- **Operating System:** Windows 08,
- **Client:** Emirates NBD

Academic

Course	Specialization	College/University	%
BE	Computer Science & Engg	Malnad college of Engineering (An autonomous institute affiliated to VTU, Recognised by AICTE)	78.6
2nd PUC	PCMB	Vivekananda PU college, Kushalnagar	74.8
SSLC		Fathima High school,Kushalnagar	82

Personal Details:

Date of Birth	31st Jan 1991
Marital status	Single
Languages Known	English, Kannada, Hindi
Contact Address	#42,Manjunath extension, Munekolala, Bangalore
